GLOBAL TRAVEL PROTECTION PLAN

TRAVEL BENEFIT GUIDE

Choosing Global Travel Protection

Why Choose Global Travel Protection?

Academic HealthPlans (AHP) has developed plans designed specifically for travelers on EF GAP Year Tours. Since some insurance companies do not provide adequate coverage for people traveling abroad, travelers can choose to enroll in AHP's EF GAP Year Tours Travel Protection Plan. The plan contains both insurance benefits as well as non-insurance assistance services. The plan's insurance benefits are summarized in this document.

Global Travel Protection Helps You -

Protect Your Investment - Should a sudden illness, death in the family or involuntary job loss prevent you from taking the trip of a lifetime, this plan can help protect you from losing everything you spent on your trip.

Protect Your Medical Expenses - If you become sick or injured while traveling, your health insurance here at home may not cover it. This plan helps protect against medical expenses incurred while traveling.

Protect Your Belongings - This plan can help replace lost, stolen or damaged personal items.

Our Focus Is Service

Academic HealthPlans - As the program administrator for the EF GAP Year Tours Travel Protection Plans, we are here for you to answer benefit questions and assist with information about how to file a claim with the claims administrator - Seven Corners.

If there are exceptions that permit the insured to leave their home to obtain necessary provisions or food (etc.), this is not considered to be a quarantine.
